1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with David W. Quimby on April 14, 2004, wherein it was pointed out that dependent claims 2318 and 2357, as amended by applicant, were still outside the range set forth in the respective parent claims 2309 and 2348. Whereupon, it was agreed to amend dependent claims 2318 and 2357 to be consistent with claims 2309 and 2348, as set forth below:

The application has been amended as follows:

In claim 2318, line 8, the recitation "about 1oC/day" has been amended to read -- less than about 1oC/day --.

In claim 2357, line 8, the recitation "about 1oC/day" has been amended to read -- less than about 1oC/day --.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to George Suchfield whose telephone number is 703-308-2152. The examiner can normally be reached on M-F (6:30 - 3:00).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Bagnell can be reached on 703-308-2151. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
